

Compliance with AB 987

Affordable Housing & Homeownership

AB 987 Low to Moderate Income Housing – AB987 requires redevelopment agencies to compile and maintain a database of existing, new and substantially rehabilitated housing units that were developed or otherwise assisted with money from the Low and Moderate Income Housing Fund, or that were replaced after destruction or removal pursuant to Health & Safety Code section 33413., The database includes a list of those housing units and was last updated March 1, 2010. This list is updated annually on a calendar year basis.

AB 987 was signed into law on October 14, 2007 and requires redevelopment agencies to compile and maintain a database of existing, new and substantially rehabilitated housing units that were developed or otherwise assisted with money from the Low and Moderate Income Housing Fund, or that were replaced after destruction or removal pursuant to Health & Safety Code Section 33413.

The database includes a list of those housing units and was last updated March 1, 2010. This list is updated annually on a calendar year basis.

This is NOT a list of “For Sale” Properties.
